
WEST HILLS COMMUNITY COLLEGE

PROGRAM

OCCUPATIONAL PREPARATION

The Board realizes that a significant number of students will terminate their formal educational careers at the end of their studies at the West Hills Community College District. It is, therefore, necessary that offerings of occupational programs, general education courses and service courses be closely monitored in order that the types of offerings reflect the needs of the students and residents of the District.

The Chancellor shall ensure that the resources of the District are utilized in a way which best meets the needs of the students enrolled for occupational training.
