STUDENT FINANCIAL AID

It shall be the policy of the Board to provide financial aid services and assistance to help students remain in school who might otherwise be unable to continue because of financial problems. Such financial aid may be in the form of grants, scholarships, loans and work study program.

The criteria for provision of financial aid shall include but not be limited to: family financial strength, net income dependents, allowable expenses, indebtedness and assets.

Ed. Code 72650 et seq.
