

## Administrative Procedure 5055 Enrollment Priorities

Reference: *Title 5 Section 58106 and 58108; Education Code Section 66025.8*

### Criteria for Evaluating Registration Priorities

These criteria will be used in determining enrollment priorities for student cohorts/groups:

1. The student cohort/group is identified through legislation or regulatory provision as being entitled to priority registration.
2. The student cohort/group must participate in a college-sanctioned activity that significantly contributes to the mission and purposes of the college.
3. Priority registration is necessary for the student cohort/group to maintain eligibility for the college-sanctioned activity.
4. Priority registration has been identified as a strategy to improve access/success for a particular student cohort group.
5. Priority registration is utilized as a means of recognizing or rewarding a particular student cohort/group as a result of service or achievement.

The following student cohorts/groups are identified as eligible for priority registration:

- CalWORKs Students
- CAMP Students
- DSPS Students
- EOPS/CARE Students
- Presidents' Scholars
- SSS Students (TRiO; Upward Bound)
- Veterans (receiving benefits)
- Continuing Students with 45 to 70 completed or "in progress" units
- Continuing Students with 12 to 44.9 completed or "in progress" units
